Item # FaStrip Portable Blast System, FaStrip Portable

When stripping operations involve delicate surfaces or require precise removal of old coatings, nothing beats FaStrip machines for speed, quality, safety or economy.

By delivering plastics, wheat starch or other soft media at low pressures, FaStrip makes it possible to strip delicate metallic or

Safety

Safety

We support our portable blasters and blast rooms with a complete line of modern safety equipment that protects operators and complies with OSHA when properly applied and maintained. All devices affecting breathing-air quality should be inspected and serviced regularly, particularly when a multi-purpose compressor is used to supply breathing air.
